

# 7th Annual End Poverty+ Community Event

Saturday, September 25, 2021 | 11:00am - 3:00pm

Quest Community Church | 4877 Central College Rd, Westerville, OH 43081

## About

The End Poverty+ event is a fun opportunity for people to make a difference in our community!

This community event includes:

- Car show
- Pickleball tournament
- Sand volleyball tournament
- Cornhole
- Inflatables and other kids activities
- Food

All the proceeds raised from this event go to benefit amazing organizations working to lift people out of poverty. The non-profit beneficiaries for the 2021 event are:

- **WARM** (Westerville Area Resource Ministry - providing food, financial counseling, and job search support)
- **Out of Darkness** (Reaching, rescuing, and restoring women who've been caught in human trafficking and commercial sexual exploitation)
- **CHLOE** (Community.Health.Life Skills.Opportunities.Education - empowering teen moms)
- **Vosh** (Recycling old prescription eyewear for use in developing countries, giving the gift of vision to people who have no other way to receive vision correction.)
- **Coat Drive** (Partnering with the clients of WARM and families in need identified through Huber Ridge Elementary School to provide personalized fittings of winter coats, hats and gloves to children and adults in need)

Originally started as a 5K, the event has raised between \$6,000 and \$10,000 of benefit for poverty in our own backyard in each of the past 6 years, engaging over 2,000 households in the area in the food drive and thousands more through social media advertising. The event's redesign from a 5K to tournaments and a car show allowed for hundreds more to actively participate while greatly reducing the event's overhead, thereby allowing more dollars to go directly to the beneficiaries.

## Audience

In 2019 more than 300 attended the event, and even last year (2020) we had 30 cars in the car show and around 200 people in attendance (in the midst of COVID!) 2,000+ households received printed direct invitations to participate in the food drive with over 1,000+ households participating. Social media advertising received engaged responses from more than 15,000 people.
