

For Volunteers

Thanks so much for supporting the End Poverty+ Event by approaching businesses to donate raffle prizes!!

Important Instructions

We want to make sure a given business is only asked once to donate to the raffle (and avoid them receiving multiple requests from different people). To ensure this, please coordinate your efforts with Kristina Isenhour (who is volunteering as Sponsor Lead for this event).

Simply follow these instructions:

1. Before approaching a business - email kristina.isenhour@gmail.com to verify whether that business has already been approached. (or Kristina can give you ideas of businesses you can contact!)
2. Take the "Sponsor Packet" with you to give to a business (explaining the event itself and the online raffle)
3. Encourage businesses to either donate a big ticket item that would raffle on its own, or donate a smaller item that can be part of a prize basket. We're open to any items, but a few ideas for basket themes include:
 - Date night basket
 - Entertainment basket
 - Sports basket
4. After contacting a business - email kristina.isenhour@gmail.com with the results of the contact (if they said yes, they want more information, they're thinking about it, etc).

**** Deadline for raffle items is Sunday, August 30 ****

Event Details

Saturday, September 19, 2020 | 11:00am - 3:00pm

Quest Vineyard Church | 4877 Central College Rd, Westerville, OH 43081
