

End Poverty+ Community Event

Saturday, September 19, 2020 | 11:00am - 3:00pm

Quest Community Church | 4877 Central College Rd, Westerville, OH 43081

About

The End Poverty+ event is a fun opportunity for people to make a difference in our community! This community event has typically included: tournaments (sand volleyball, pickleball, and cornhole), art show, car show, live music, kids activities and food.

Due to Covid-19, this year's event is going to look different - but we'll still be raising money and supplies to benefit these amazing organizations working to lift people out of poverty. The **non-profit beneficiaries** for the 2020 event are:

- **WARM** (Westerville Area Resource Ministry - providing food, financial counseling, and job search support)
- **Out of Darkness** (Reaching, rescuing, and restoring women who've been caught in human trafficking and commercial sexual exploitation)
- **CHLOE** (Community.Health.Life Skills.Opportunities.Education - empowering teen moms)
- **Vosh** (Recycling old prescription eyewear for use in developing countries, giving the gift of vision to people who have no other way to receive vision correction.)
- **Coat Drive** (Partnering with the clients of WARM and families in need identified through Huber Ridge Elementary School to provide personalized fittings of winter coats, hats and gloves to children and adults in need)

Online Raffle

Although in-person attendance at the event will be smaller this year, we still have a great opportunity for businesses to support the event (and the non-profits that it supports!). We are running an online raffle where anyone can purchase raffle tickets to win a prize!

Will you donate an item to support our raffle?

You can either donate a big ticket item that would raffle on its own, or donate a smaller item that can be part of a prize basket. We'd like to offer prize baskets with the following themes:

- Date Night basket
- Entertainment basket
- Sports basket
